

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIAJOSE ANTONIO RODRIGUEZ,
Petitioner,

v.

COALINGA STATE HOSPITAL,
Respondent.Case No. [23-cv-00295-WHO](#) (PR)**ORDER OF DISMISSAL**

Dkt. No. 6

Petitioner Jose Antonio Rodriguez was ordered to file an amended petition because his original petition lacked all significant information, such as where and when Rodriguez was convicted; the length of his sentence; what crimes he was convicted of; and what his claims for relief are. (Order Dismissing Petition, Dkt. No. 4 at 1.) Most of the form was entirely blank. (*Id.*)

The amended petition likewise lacks all significant information and is largely blank. (Dkt. No. 5.) Accordingly, this federal habeas action is **DISMISSED** (without prejudice) for failing to comply with my Order and for failing to prosecute, *see* Federal Rule of Civil Procedure 41(b).

Because this dismissal is without prejudice, Rodriguez may move to reopen. Any such motion must (i) have the words **MOTION TO REOPEN** written on the first page; and (ii) contain an amended petition that has been properly completed.

Rodriguez's second motion to proceed *in forma pauperis* (IFP) is DENIED as moot because I granted his prior IFP application. (Dkt. No. 6; Dkt. No. 4 at 2.)

The Clerk shall terminate all pending motions, enter judgment in favor of respondent, and close the file.

IT IS SO ORDERED.
